

2021 SaaS Awards

BEST PRODUCT FOR AGRICULTURE AND FARMING

Webee' SmartFarm IIoT platform was recognized for its toolset for Connected Agriculture That Eliminates the Technical and High-cost Barriers to Entry for IoT Implementations.

“This award is another validation of our efforts to make efficient agriculture and farming possible, without sacrificing sustainability. This acknowledgement highlights Webee’s ability to enable producers of crops, grains, livestock, poultry, and seafood to quickly increase production and reduce disease, for rapid, measurable ROI”

Lucas Funes
Webee CEO & Founder
